# About Swapzone

Swapzone is an instant non-custodial cryptocurrency exchange aggregator. The platform compares exchange rates, shows you the best one for your deal and allows you to swap cryptocurrency in just one interface with no registration needed.

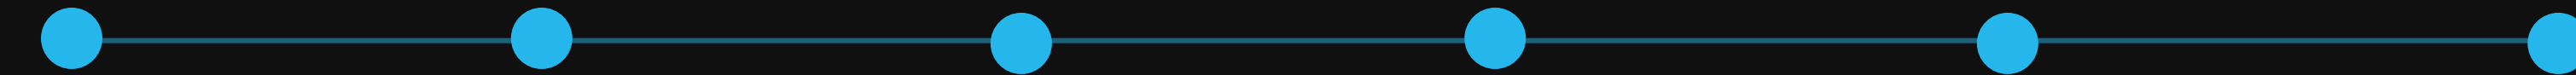

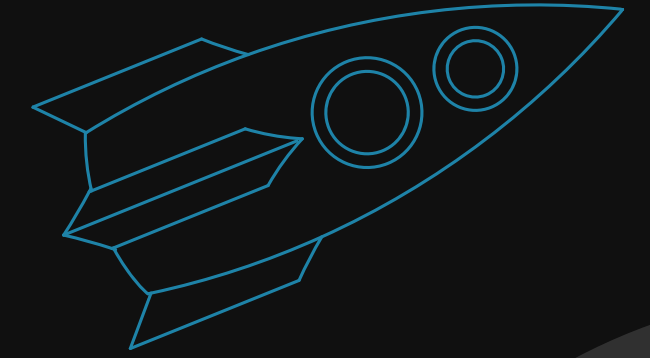

# Our Mission

We simplify the exchange process by providing a one-stop solution for finding the best instant exchange deal to proceed with. We incorporate as many assets and services as possible and gather all the information needed to make an informed choice. All you have to do is swap.

# Affiliate Program

You can **make some profit by introducing Swapzone to the world**. Monetize your efforts: refer customers, followers & friends and earn from each successful transaction they make through your referral link or widget. The more you swap within a month – the more you'll be receiving during the next one.
